Dear Mr. Arnold:

I am enclosing a copy of my application and permit to drill a gas well on the West Half of partial Section 10, T28N, R11W, San Juan County, New Mexico. Due to previous surveying this acreage only consists of 130.49 acres. I am asking for your administrative approval to drill a Pictured Cliffs well on this tract.

Thank you for your consideration on the above.

Very truly yours,

W. M. Gallaway
