Geological Survey  
P. O. Box 965  
Farmington, New Mexico

Attention Mr. Jerry W. Long

Gentlemen:

Re: Jicarilla No. S-3  
SW/4 Section 17-29N-2W  
Rio Arriba County, New Mexico  
Jicarilla Contract No. 29

Your letter of November 13, 1958, indicated that the Smith Drilling Company has defaulted in submitting reports on the subject well. Inasmuch as Gulf Oil Corporation is the lessee of record, we herewith attach Sundry Reports prepared from information contained in our scouting reports.

Further disposition of the well is being resolved at this time, and our production superintendent has been instructed to inspect the present condition of the location. We will advise you in the near future of our decision regarding the well.

Very truly yours,

1. The first part of the report is a
 2. summary of the work done during the
 3. year. It includes a list of the
 4. projects completed and a brief
 5. description of the work done on each.

And, as you can see, the results are not what we expected.

1. *Chlorophyll *a** and *Chlorophyll *b** were determined by the method of Arar and Collins (1971).

1. The first of these is the fact that the
