Re: Table Mesa #28, N-33-28N-17W

Gentlemen:

A recent NMOCD field inspection revealed that the referenced injection well is shut-in and has no well sign. Also, we have never received a C-104 form showing a change of operator from Eastern Petroleum Co. to John F. Staver. A copy of the designation of operator is enclosed for your reference. Please file a C-104 form showing change of operator for the referenced well within 30 days.

Yours truly,

Carolyn J. Taplin
Field Representative
