Enclosure:

A OGD field inspection of the referenced well reveals that the Table Mesa #25 has no well sign. Additionally, we have never received a C-104 showing change of ownership. The Table Mesa #21 is open to the atmosphere. The Table Mesa #22 is posted on the Table Mesa #21 and the change for the Table Mesa #23 is posted on the Table Mesa #21. In order to comply with NRCO Rule 1004, 100A.2, and 1003, you are hereby directed to file with O-104 for the Table Mesa #25, file sundry notices showing intent to permanently abandon the Table Mesa #21 and #20 and correct the well signs on the Table Mesa #22 and #23 within 60 days.

Very truly yours,
