*Dear Sir:*

*Reference is made to your letter of April 5 regarding acreage dedication to your #1 Douthitt well drilled in the SE<sup>1</sup> Section 33-28N-13W. Eighty-acre spacing has not been approved for any oil area in the San Juan Basin with the exception of the Bisti Lower Gallup Pool. It will therefore be necessary that you dedicate only 40 acres to this well.*

*Yours very truly*

Supervisor, District #3*
