Dear Mr. Fellows:

On behalf of the above-referred-to Operator, this is a request for approval for Long Term Shutin Status for this well.

TA The well is not capable of producing and selling gas in quantities to cover the cost of operating expenses under existing market conditions.

The well only has the capability to produce when the gathering line pressures are lower in the winter months.

Attached you will find a copy of Production Data for the well for the years of 1987, 1988 and 1989.

Your approval of the Long Term Shutin Status for this well would be appreciated.

Very truly yours,

Ewell N. Walsh, P.E.  
President

THIS APPROVAL IS VALID FOR 90 DAYS
