1890

The first of the year was a very dry one, and the crops were much injured. The water in the reservoirs was very low, and the people were much distressed. The government was very kind, and gave them much help. The people were very grateful, and they all lived happily ever after.

The second of the year was a very wet one, and the crops were much improved. The water in the reservoirs was very high, and the people were much pleased. The government was very kind, and gave them much help. The people were very grateful, and they all lived happily ever after.

The third of the year was a very dry one, and the crops were much injured. The water in the reservoirs was very low, and the people were much distressed. The government was very kind, and gave them much help. The people were very grateful, and they all lived happily ever after.

The fourth of the year was a very wet one, and the crops were much improved. The water in the reservoirs was very high, and the people were much pleased. The government was very kind, and gave them much help. The people were very grateful, and they all lived happily ever after.
