Dear Sir:

Attached is the original and five copies of the Notice of Intention to Drill and Surveyor's plat on the P. Candelaria No. 1 well to be located 1650 feet from the South line and 1650 feet from the West line of Section 9, T-29-N, R-7-W, N.M.P.M., Blanco Field, Rio Arriba County, New Mexico.

The elevation on this location will be furnished to your office when it is determined.

Please wire us collect when approval is made to drill this well.

The Communitization Agreement will be forwarded to Roswell within the next few days if consistent with regulations. We would appreciate receiving approval of proposed drilling site in advance of the submission of the Communitization Agreement.

Yours very truly,

Van Thompson
