Dear Dick:

Enclosed are 3 copies of Notice of Intention to Drill, 3 surveyor's plats, a plat showing offset lease holders, 2 explanatory letters from Mr. Ed Kerr, and 3 photostatic copies of letters of approval from offset lease holders on Bay Petroleum Corporation's #1 Manning-State in the SW/4 Section 2, Township 29N, Range 7 West. We discussed this location when you were in Aztec last and oral approval to begin operations has been given Bay Petroleum Corporation, as you directed.

I am sending in the Notice of Intention to Drill for your approval and distribution. I believe you will find everything in order.

Yours very truly,

Emery C. Arnold
