Re: Application for Permit to Drill
San Juan 29-5 Unit #77
NW/4 SW/4 Sec. 26, T29N, R5W

Gentlemen:

Information regarding existing roads, pipelines, flowlines, etc., relative to the above well location are included on the enclosed attachments.

Water for drilling and completion operations will be obtained from the San Juan 29-6 Water Well #1 located in the NW/4 SW/4 Sec. 28, T29N, R6W.

Waste disposal will be burned in the burn pit, latrine or reserve pit. There will be no camp or airstrip associated with drilling this well.

Upon completion or abandonment of this well the location will be cleaned, leveled and a dry hole marker placed if applicable.
