Gentlemen:

A NMOCD field inspection of the referenced wells revealed that the Table Mesa #25 has no well sign. Additionally, we have never received a C-104 showing change of operator. The Table Mesa #21 is open to the atmosphere. The sign for the Table Mesa #22 is posted on the Table Mesa #23 well and the sign for the Table Mesa #23 is posted on the Table Mesa #22 well. In order to comply with NMOCD Rule Nos. 1104, 705.A.2, and 103, you are hereby directed to file Form C-104 for the Table Mesa #25, file sundry notices showing intent to temporarily abandon the Table Mesa #21 and #25 and correct the well signs on the Table Mesa #22 and #23 within 60 days.

Yours truly,

Carolyn J. Taplin
Field Representative
