Gentlemen:

On March 6, 1958 we wrote you requesting administrative approval of a non-standard proration unit on the Delhi-Taylor Prichard #4-C well in L Section 31, T 29 N, R 8 W, San Juan County, New Mexico. The proration unit acreage was incorrectly shown as 112.9 acres whereas it should be 169.42 acres.

An amended request is submitted for your consideration and we hope this will cause you no great inconvenience.

Very truly yours,
