Gentlemen:

On March 6, 1958 we wrote you requesting administrative approval of a non-standard proration unit on the Delhi-Taylor Jones #3 well in L Section 30, T 29N, R 8 W, San Juan County, New Mexico. The proration unit acreage was incorrectly shown as 114.0 acres whereas it should be 170.58 acres.

An amended request is submitted for your consideration and we hope this will cause you no great inconvenience.

Very truly yours,
