13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

On February 10, 1999, Amoco Production Company received permission to perf and frac additional pay in the subject well. Please note that due to a geologic review it has been determined that the additional pay exposure would not have sufficient net pay to be economic, therefore, we request permission to cancel our request to perf and frac additional pay in the subject well.

Should you have any technical questions please contact James Dean @ 281-366-5723. For administrative issues please contact Mary Corley @ 281-366-4491.
