Dear Emery:

Subject well was re-completed October 2, 1957. Approved copy of NMOCC Form C-104 was received by us on October 23, 1957, and approved copy of Report After Workover from the U. S. Geological Survey was received on October 22, 1957. In a letter of transmittal dated November 21, 1957 from L. W. McGlothlin, deliverability test after workover was submitted to your office.

To date no change in allowable has been assigned to this well. In event this delay has been caused by failure on our part to comply with the filing of the necessary forms, please advise.

Yours very truly,

CHARLES M. HEARD
District Superintendent
