*Dear Sir:*

*I have been informed that your one-well plugging bond in favor of the New Mexico Oil Conservation Commission has been approved. However I have been informed that the principal on the bond is given simply as "Postoak Oil Company". The form C-110 which you filed with us on December 4, 1963 shows the operator as "N.A. Steed and Postoak Oil Company". Our rules require that the principal on the bond and the operator of record be identical. I am, therefore, removing "N.A. Steed" from the operator's title.*

*If you have any questions regarding this matter or if you wish any assistance in connection with the operation of this well please contact this office.*

*Yours very truly*
