	<input type="checkbox"/> Convert to Injection	<input type="checkbox"/> Plug Back	<input type="checkbox"/> Water Disposal	

13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

On April 04, 2000, Amoco Production Company submitted for your approval a Notice of Intent to plug and abandon the subject well. Approval was granted on May 3, 2000. This is to advise that as of this date the plug and abandonment process has not been initiated. It is our intent to first attempt to restore the well to production with the 4th QTR of this year. If this attempt proves unsuccessful then we will proceed to plug and abandon the well as per the procedure previously submitted and approved. We, therefore, respectfully request an extension to the original plugging approval in order to allow sufficient time to attempt to restore this well to production.

14. I hereby certify that the foregoing is true and correct. <b>Electronic Submission #5129 verified by the BLM Well Information System For AMOCO PRODUCTION COMPANY, sent to the Farmington Committed to AFMSS for processing by Maurice Johnson on 06/22/2001 ()</b>
