17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

It is intended to change the access road into this location as shown on the attached topographic map. The existing road is steep and extremely difficult to travel during wet and icy conditions. The proposed road would provide better access to this location, as well as reduce maintenance costs. It is intended to abandon this existing road in accordance with Bureau of Land Management regulations.
