Re: State Deliverability Retest Request
San Juan Basin, New Mexico

Gentlemen:

Please find attached a list of Tenneco operated wells that need to be retested due to the addition of artificial lift. Each well's location and production information is included for your convenience. The artificial lift method is also included.

It is requested that these wells be scheduled for retest after July 1, 1988. If there are any problems or questions regarding this request, please notify me at (303) 740-4811.

Very truly yours,

TENNECO OIL COMPANY
