Gentlemen:

Enclosed is your Application for Permit to Drill (APD) well No. 3
Florance T, SW/4SW/4 sec. 3, T. 29 N., R. 8 W., San Juan County,
New Mexico, lease SF-078596-A. As discussed with Cindy Burton of your company
on February 11, 1991, the subject APD is rescinded and returned due to
drilling not being commenced within one year of the approval date and after an
additional six month extension.

You are required to request surface rehabilitation instructions from this
office if construction activities occurred on the referenced drill site. If
this office does not receive comment within 30 days, we will presume that no
construction occurred and proceed accordingly. Later discovery that
construction activities have in fact occurred, may result in assessment of
liquidated damages.

Sincerely,

/s/ John L. Keller
