RE: VANDERWART A #16 B-13-29N-08W

Dear Mr. Wessels,

This office has received notice that The United States Bankruptcy court hearing for Case 94-42758-H-2-11 orders that Quintana Petroleum Services Inc. is now the undisputed operator of the referenced well.

As you are aware, from previous correspondence the 1993 Bradenhead test indicates the subject well has a casing failure. In order to comply with Rule 108, prevent waste, protect fresh water and protect the environment, you are hereby directed to initiate remedial activity prior to August 8, 1994.

Your Truly
