Attention: Mr. Ashton B. Geren, Jr.

Dear Mr. Geren:

This is in reference to your application for approval to drill an unorthodox location in Section 21, Twp. 29-N, Rge. 9-W, in the Blanco-Mesaverde gas pool.

Since you have complied with the rules and regulations of the Commission and under authority granted to me by Rule 104 of the Commission, this will constitute your permission to drill and produce the unorthodox well as you have set it out in your letter.

A copy of this letter is being sent to our Aztec, New Mexico, office in whose district the location will be drilled.

Very truly yours,

R. R. Spurrier
Secretary - Director

OIL CONSERVATION COMMISSION
P. O. BOX 87
SANTA FE, NEW MEXICO

Dear Sir:

Reference is made to your letter of the 10th day of August, 1935, regarding the proposed drilling of an oil well in the Santa Fe area.

The Commission has reviewed the information submitted and has determined that the proposed drilling is in accordance with the provisions of the Oil Conservation Act.

It is noted that the proposed drilling is in an area where there is a possibility of oil being discovered. The Commission has no objection to the drilling of the well.

The Commission has no objection to the drilling of the well, provided that the operator complies with the provisions of the Oil Conservation Act and the rules and regulations thereunder.

Very truly yours,
Director

Respectfully,
