Tenneco Oil Company
P. O. Box 1714
Durango, Colorado 81302

Attention: Mr. Robert E. Siverson

Gentlemen:

Reference is made to your request, dated July 1, 1966, for approval of a 296.5-acre non-standard gas proration unit in the Blanco-Mesaverde and Basin-Dakota Gas Pools consisting of the E/2 of Section 23, Township 29 North, Range 9 West, NMPM, San Juan County, New Mexico, to be dedicated to your Florance Well No. 24.

In order to obtain administrative approval for your request, it will be necessary for you to either present written consent in the form of waivers from all offset operators, or furnish proof of the fact that they were notified by registered mail of your application. If the latter course is chosen, the Commission will wait 30 days and, if no objection is received, will then approve your application.

We will hold your application in abeyance until you have furnished written consent from the offset operators or proof of the fact that they have been notified.

Very truly yours,

GEORGE M. HATCH
Attorney

Attention: Mr. Robert E. Siverston

Gentlemen:

Reference is made to your request, dated July 1, 1966, for approval of a 296.5-acre non-standard gas production unit in the Blanco-Mesa Verde and Basin-Dakota Gas Pools consisting of the E/2 of Section 23, Township 29 North, Range 3 West, NMPM, San Juan County, New Mexico, to be dedicated to your Florence Well No. 24.

In order to obtain administrative approval for your request, it will be necessary for you to either present written consent in the form of waivers from all offset operators, or furnish proof of the fact that they were notified by registered mail of your application. If the latter course is chosen, the Commission will wait 30 days and, if no objection is received, will then approve your application.

We will hold your application in abeyance until you have furnished written consent from the offset operators or proof of the fact that they have been notified.

Very truly yours,

GEORGE M. HATCH
