Dear Sir:

On September 28, 1953 we received Form C-110 on the Robert Mims #1 State in Section 16-29N-9W. On checking our files we find that we have never approved Form C-104 on this well. It will be your responsibility to file Form C-104 on this well even though the well has now been taken over by Southern Union Gas Co.

Will you please submit form C-104 filling in the form as indicated.

Yours very truly,

Emery C. Arnold
