Box 871
Santa Fe, New Mexico

Dear Sir:

In accordance with Order No. R-110 as amended by Order No. R-397, application is hereby made for a non-standard Mesaverde gas well location, Stanolind Oil and Gas Company State Gas Unit "L" No. 1, 1900' from the north and 1100' from the east lines of Section 2, T-29-N, R-9-W, San Juan County, New Mexico. A non-standard location is required due to extreme topographic relief.

Attached is a plat showing our proposed well location. Inasmuch as Stanolind Oil and Gas Company will be the operator of all leases in Section 2, T-29-N, R-9-W, no offset operators are involved.

We anticipate drilling this well in the near future and would appreciate your early consideration of our application. I hereby certify that the above and the attached plat are true and correct to the best of my knowledge.

Very truly yours,

STANOLIND OIL AND GAS COMPANY
