RE: Simmons #10, K-21-29N-09W

Dear A.B.:

The enclosed copy of the 1990 Bradenhead Test on the referenced well is incomplete yet suggests a casing failure. Please reschedule and retest the well properly.

Notify this office at least 24 hours prior to the test so we may provide a witness.

Yours truly,

Charles Gholson
Deputy Oil & Gas Inspector
NMOCD District III
