17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This is to request an extension of approval for drilling, as the original approval expires November 21, 1972. Drilling has been delayed by inclement weather and mechanical problems associated with other wells our drilling contractor has been working on. Drilling operations should begin within the next 40 days.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
