July 18, 1984

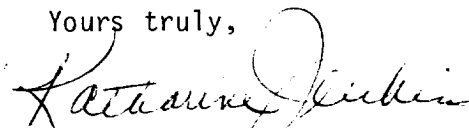

New Mexico Oil Conservation Commission  
1000 Rio Brazos Rd.  
Aztec, NM 87410

Gentlemen:

Please be advised that Tenneco Oil Company installed a bridge plug in its Hamner 1A in Sec 20, 29N, 9W, San Juan County, New Mexico and temporary abandoned the Gallup zone thus eliminating the need to submit a packer leakage test.

If further information is required, please advise.

Yours truly,

  
Katharine Jenkins
