Dear Mr. Bayless:

The Oil Conservation Division hereby approves the above-referenced one-well plugging bond effective May 14, 1990.

Frank Chavez in our Aztec district office has advised me that the footage is not correct on the above-captioned bond. Please have your insurance company issue a rider to this bond correcting the footage to 1575' FNL and 1340' FEL.

Thank you.

Sincerely,

William J. Lemay by David Calamish
