Dear Mrs. Harris:

We have just received Form C-110 for the N.B. Gerber #1 State
Ired in Section 32-30N-7W. We had originally received C-110
on this well January 8, 1954 but were unable to approve it
due to the fact that we had not received Form C-104, "Request
for Allowable". We wrote Mr. Harris a letter on January 8, 1954
notifying him of this fact and requesting that Form C-104 be
filed.

It appears that there is some misunderstanding. We are enclosing
4 copies of Form C-104, Request for Allowable, and request that
you fill them out as indicated and send them to us at the
earliest possible date.

Yours very truly,

Emery C. Arnold

We have just received from O-110 for the N.M. Conservation District

due to the fact that we had not received it in 1934. We have
now received it and are forwarding it to you. We are sorry
that we have not been able to do so earlier. We are
very sorry that we have not been able to do so earlier.

It appears that there is some misunderstanding. We have
a copy of your letter of January 29, 1935, but we have
not been able to find it in our files. We are sorry
that we have not been able to find it in our files.

Very truly,
