Dear Mr. Arnold:

I am in receipt of your letter of August 27th, 1956, with reference to the above entitled producing gas well. Your request is for operator's Monthly Report Form C-115.

This is to advise you that our auditors have regularly filed Producer's Monthly Reports on the green and white forms every month since the beginning of production. I understand that all other required forms have been and are being filed by El Paso Natural Gas Company. They have not advised us of any omission on their part which we would have to take care of, and therefore, we are at a loss to know what procedure might be lacking.

This is the only well I operate in your State and I would greatly appreciate if you will kindly check further into this matter.

If there is anything which you may find I am required to do I shall gladly comply with your requirements. Looking through the file I note similar request was raised in January, 1955. My accountants, who have been handling the reports, Gunnip, Isaacson & Stolper wrote a similar explanation to your Santa Fe office, attention Mr. I. R. Trujillo.

Sincerely yours,
