

Dear Emery;

C-115's For this well are delinquent for
April, May, June, July, & August.

As soon as these are received, we can go ahead
and release the well.

Please let them know that these reports are due
on the 24th of each month.

Thank you.

Memo

From

E. C. Arnold,
Supervisor & Oil & Gas Inspector

To OCC, Santa Fe, N.M.

We are forwarding this to you for handling
for the reason that we do not seem to have
received any C-115's on this well any time
in 1962. We, therefore, cannot tell them
what months they are delinquent.

Thank you.
