RE: Well - N. B. Gerber #1 Ired-State  
Location - N-32-30N-7W Blanco Mesaverde

Gentlemen:

We have had difficulty keeping this well open because Mr. N. B. Gerber died. He was the operator of this well. The people who have taken over his business have not been filing the proper forms.

We would appreciate it very much if you would please send to L. W. McGlothlin the purchase reports so that they can file the production report with the state of New Mexico Oil Conservation Commission and keep the well open.

We have engaged this company to do these things for us.

We will appreciate whatever you can do to expedite this.

Sincerely yours,
