Gentlemen:

Rio Arriba County - Lease 347-18

Herewith are seven copies of "Notice of Intention to Drill" the above captioned well, prepared on your Form No. C-101.

We understand this is a "short section" - or unorthodox in some fashion, but that drilling the well has been approved by the proper officials in Santa Fe insofar as that aspect is concerned.

We shall, therefore, appreciate it if you will review the enclosed. We trust you will find the papers in order, and shall appreciate your returning one copy, duly approved, to the writer in Farmington.

Very truly yours,

C. Beeson Neal
