Dear Mr. Porter:

Pacific Northwest Pipeline Corporation is requesting permission to drill a Mesa Verde well on an unorthodox location. The unorthodox location is staked 1100' from the south line and 1950' from the west line of Section 26, Township 30N, Range 5W, Rio Arriba County, New Mexico.

This location was moved 100' east at the request of Mr. Albert Mohr, Archaeologist, so as to miss an archaeological site.

Pacific Northwest Pipeline Corporation holds leases on the entire acreage in Section 26 and on all offset acreage.

Yours very truly,

T. A. Dugan
