Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated March 7, 1956 covering your well No. 16-26 San Juan 30-6 Unit in NE 1/4 sec. 26, T. 30 N., R. 6 W., N. M. P. M., Rio Arriba County, New Mexico, Blanco Mesa Verde pool.

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 25, 1942, a copy of which will be sent to you on request, and subject to the following conditions:

1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
2. Furnish copies of all logs.

Very truly yours,

(Orig. Sgd.) J. W. Long

May 1, 1909

Dear Sir:

Very truly yours,

W. H. Dyer

Enclosed for you are two copies of a report of the  
Geological Survey of the United States, published by the  
Government Printing Office, Washington, D. C., 1908.  
The report is entitled "Geological Survey of the United States,  
1908, Part 1, General Report."

The report contains a general description of the geology of the  
United States, and is intended to be a general reference work  
for the public. It is published in two parts, the first part  
containing the general report, and the second part containing  
the detailed reports of the various geological surveys.

The report is published in two parts, the first part  
containing the general report, and the second part containing  
the detailed reports of the various geological surveys.

Very truly yours,

W. H. Dyer
