17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Due to a casing leak it is intended to recomplete this well in the following manner:

Pull tubing, set bridge plug in bottom of 7" casing and locate casing leak w/packer.

Squeeze leak and drill out and clean out to total depth, or side-track around junk in squeezed open hole.

Run a full string of 4 1/2" casing to total depth of 5800' and cement.

Perforate and sand-water fracture the Mesa Verde, clean out and run tubing.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
