Figure 1 illustrates the experimental setup. A participant is seated at a table, looking at a video screen. The screen displays a target (a small circle) and a starting position (a larger circle). A horizontal line indicates the distance between the starting position and the target. The participant's hand is positioned at the starting position, and the video screen shows the hand's position relative to the target. The diagram is labeled with 'Participant', 'Video screen', 'Target', 'Starting position', and 'Distance'.
