Att: Mr. DeLasso Loos

Dear Mr. Loos:

We have received a copy of Notice of Intention to Drill from the USGS on your Howell "B" #1-X. In checking our file on the Howell #1-B we find that the Oil Commission was never officially notified that the well had been plugged so that we could take it off the proration schedule.

Will you please write us a letter stating the above facts.

We are also enclosing a supply of Form C-128, which has been revised. Please fill in the form so far as the acreage dedication is concerned, outlining your acreage and answering the questions at the top of the form. We will not need a new surveyor's plat, as the original plat will suffice.

Yours very truly

Emery C. Arnold  
Supervisor, District #3
