13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This Notice is in response to your letter dated August 22, 1995.

A compressor is to be installed on this well during the month of September. The well will then be immediately brought back on line. The recent severe decline in natural gas prices kept this work from being completed last year.
