Mr. Joe Ramey  
New Mexico Oil Conservation Commission  
Post Office Box 2088  
Santa Fe, New Mexico 87501

Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 30-6 Unit #8A at 800' from the West line and 640' from the North line of Section 31, T-30-N, R-7-W, Rio Arriba County, New Mexico.

High cliffs in the Northwest corner of this short section make it impossible to build an orthodox location.

All operators of proration units offsetting the proposed unorthodox location have been notified of this application by certified mail. Plats showing the proposed well location and the terrain of Section 31, along with an ownership plat, are attached.

Yours truly,

*Donald C. Walker*
