Mr. Joe Ramey

Post Office Box 2088

Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 30-6 Unit #9A at 545' from the South line and 510' from the East line of Section 30, T-30-N, R-7-W, Rio Arriba County, New Mexico.

A high mesa ridge with steeply sloping sides in conjunction with a pipeline and a power line in the southeast corner of this section makes it impossible to build an orthodox gas well location.

All operators of proration units offsetting the proposed unorthodox location have been notified of this application by certified mail.

Plats showing the proposed well location and the terrain of Section 30, along with an ownership plat, are attached.

Yours truly,

D. C. Walker
Project Drilling Engineer
