Mr. Joe Ramey
New Mexico Oil Conservation Commission
Post Office Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 30-6 Unit #63A at 390' from the North line and 1410' from the West line of Section 15, T-30-N, R-7-W, Rio Arriba County, New Mexico.

Navajo Lake covers nearly all the Northwest corner of this section and this makes it impossible to build an orthodox gas well location.

El Paso Natural Gas Company is the operator of all proration units offsetting the proposed unorthodox location.

Plats showing the proposed well location and the terrain of Section 15, along with an ownership plat, are attached.

Yours truly,

D. C. Walker
Project Drilling Engineer
