17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) *

A six month extension for testing the disposal potential of produced water in this well is requested. The initial six month test period began September 24, 1986, as issued by the New Mexico Oil Conservation Division Administrative Order SWD-306. At present, testing has not been initiated but is expected to commence as soon as the extension is granted.
