Re: Non-standard gas proration units
San Juan 29-5 Unit #100 25-29N-5W
San Juan 30-5 Unit #77 36-30N-5W✓

Dear Mr. Thompson:

The non-standard gas proration units for the San Juan 29-5 Unit #100 and San Juan 30-5 Unit #77 are too small to be authorized by this district, according to Rule 5(B)1. They will have to be referred to the Director. A hearing does not have to be docketed as long as Rule 5(B)3 a-f is applicable. Enclosed is a copy of the general rules and regulations, with these rules indicated.

If you have any questions please call this office.

Yours truly

Jeff A. Edmister
Geologist/Field Representative
