Gentlemen:

Enclosed is your Application for Permit to Drill (APD) Well No. 22 San Juan 20-0 Unit, SW/4NW/4 sec. 8, T. 36 N., R. 6 E., Rio Arriba County, New Mexico, lease 11-00410. As discussed with Gary Prink of your Company on February 12, 1986, the subject APD is rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, we will presume that no construction occurred. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely,

for John Miller
