Re: SJ 30-6 Unit #402 Well located K-15-30N-07W Rio Arriba, NM.

Dear Peggy:

Our records indicate that the referenced well has been converted to a pressure monitoring well for the SJ 30-6 Unit #406R. The C-104 dated May 1, 1986 that has been in effect for the SJ 30-6 Unit #402 is hereby canceled effective immediately.

If you have any questions, please contact this office.

Yours truly,

  
Ernest L. Busch  
Deputy Oil & Gas Inspector
