13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Plans are to run a casing integrity test on the subject well and continue to use this well as a pressure observation well. All of our rigs are currently busy, but work is planned to be completed before October 1. A BLM representative will be called to witness the test and a subsequent report will be submitted.
