Dear Ms. Jaquez

I received a copy of a completion report that was approved by BLM from your office. I would like to inform you that the completion report that you received in May had an error. I corrected the completion report and re-submitted along with a letter stating my changes. The correct Completion report is dated January 6, 1999, which shows 1.9" tbg at 3050', pkr at 3049', and Date of First Production March 21, 1998.

Thank you for your assistance. Should you have any questions regarding this matter please feel free to contact me at (970)382-9100.

Sincerely,

MALLON OIL COMPANY
