

Mallon Oil Company

Denver/Colorado ♦ Durango/Colorado ♦ Carlsbad/New Mexico

a Mallon Resources Subsidiary

March 25, 1999

Mr. Mike Stogner
Oil Conservation Division
2040 South Pacheco Street
Santa Fe, New Mexico 87505

Dear Mr. Stogner:

Mallon Oil Company is requesting an unorthodox location for the Jicarilla 459-20 SJ #12 (849' FSL and 1888' FEL (SW SE) Unit ~~D~~) Sec. 20, T30N-R03W, Rio Arriba County, New Mexico.

Mallon Oil Company is the only offset operator to acreage involved. The well was originally staked as standard location. Upon the archeological survey a site was discovered on the original well pad thus forcing the location 300' more or less to the Northwest. Other obstacles to the North and South of this location were wildlife concerns and forestry concerns (i.e. ponderosa pines and elk migration and habitat).

Please contact me at (970) 382-9100, if any additional information is needed.

Sincerely

Christy Serrano
Production Clerk
